

Black Hills State University

College of Education & Behavioral Sciences

ED 692 SD STEM Education Conference

Spring 2024

1 graduate credit

Registration is through CAMSE at Black Hills State University

Tuition is payable by check sent with registration form to the address given.

One credit is \$40.

Course requirements are fully explained in the syllabus in Google Drive at

https://drive.google.com/drive/folders/1LDqyNr5-O9OgWxQp72wnL8oKcsw18Clx?usp=drive_link

or with the QR Code. Logs and forms are available in this folder.

Successful completion of the course includes the following.

- Attend and participate in eight or more sessions at the 2024 SD STEM Education Conference. Record these in the participation log given in the syllabus. Qualifying sessions are listed in the syllabus.
- Reflect further on four of the attended sessions using the prompts provided on the reflection form in the syllabus. Complete four reflections for four different sessions.
- Complete the registration form fully (especially other last names that may be in the BOR system). Send the form and a check for \$40 to the address on the registration form.
- Include your participation log and four reflections in the envelope with your registration and payment.
- Send it all to this address by February 16, 2024.
