

# **MAKING MATHEMATICS VISIBLE: PROPORTIONAL REASONING GRANT FUNDED WORKSHOP**

Join 5<sup>th</sup> -12<sup>th</sup> grade teachers from across South Dakota this summer to study mathematics education on the lovely BHSU campus. Topics from state standards include fractions, ratios, and proportional reasoning with connections to algebra and geometry. There will be a focus on representations, connections between representation, and vertical growth of representations of proportional concepts.

Participants will earn \$400 in stipends for participation in the full 4-day workshop. Lodging and meals will be provided. Participants will receive teaching resources to use in their classrooms. Two follow-up days in the fall each offer \$100 stipends for participants. The four days in June satisfy the 2-credits so the course is recorded as a summer course.

**BHSU**

**June 19 – 22,  
2017**

**Apply at**

**[https://www.surveymonkey.com/r/  
7QJBWFJ](https://www.surveymonkey.com/r/7QJBWFJ)**

**Your application  
will be reviewed  
and you will be  
notified by May 12  
if you have been  
accepted into the  
workshop.**

**2 graduate credits will be  
available from BHSU at a  
reduced rate of \$80 for the  
two credits. Registration  
would take place on the first  
day of class.**
